

Accessories

Single Stage Air Filter Kit

Part No. 7-7507
Filter Element 9-7741

Standoff Cutting Guides

SL60/SL100
(w/ 60A-100A Tip) OTD9/8281
Universal (Adjustable) OTD9/8422

Roller & Radius Cutting Guide

Part No. OTD7/7501

Circle Cutting Guide

Part No. OTD7/3291

Pinion Assembly

1 3/8" (35 mm) Diameter 7-2827

Welding Gloves

Part No. 646755

ATC® Lead Extensions

For any system using hand or mechanised 1Torch with ATC Quick Disconnect
25 ft (7.6 m) OTD7/7545

Hand Torches w/ATC

SL60 - (Torch/Leads) 20 ft (6.1 m) - 75° OTD7/5204

SL100 - (Torch/Leads) 20 ft (6.1 m) - 75° OTD7/5206

Machine Torch w/ATC

SL100 - (Torch/Leads) 25 ft (7.6 m) - 180° OTD7/5215

Remote Pendant Control

20 ft (6.1 m) 7-3460

CUTMASTER®
TRUE™ SERIES

Always delivering more punch when you need it,
with the introduction of the Cutmaster® TRUE™ Series.

www.cigweld.com.au/plasma

Cutmaster[®] TRUE[™] Series has been designed with the idea that recommended cut capacity should also be the TRUE cut capacity. The TRUE Cut Series eliminates the concept of having to “buy up”, purchasing a machine larger than you actually need. With the introduction of the Cutmaster TRUE Series, a 12mm recommended capacity machine will cut 12mm material.

Truth #1

True Confidence - The Cutmaster TRUE Series micro-processor controlled front panel LED's assure extreme operator confidence and error free use from setup to clean up.

Truth #2

True Strength - The Cutmaster TRUE Series allows you to work all day at our recommended cut capacity. But when you need that extra punch, you can be confident that it's there.

Truth #3

True Protection - As if a 3 year power supply warranty wasn't enough, the Cutmaster TRUE Series is the only line of plasma cutting machines that features TRUE GUARD[™] - a rugged roll bar for added durability on our larger plasma systems.*

Truth #4

True Flexibility - The Cutmaster TRUE Series features the versatile and patented iTorch[®] with SureLok[®] technology and consumable parts, lead extensions which provide cutting up to 100' (30.5m) from power supply, and the flexibility to move quickly from hand to mechanised cutting all with the change of a torch.

Truth #5

True Portability - The Cutmaster TRUE Series offers lighter, more portable machines without compromising performance.

*Not available on the Cutmaster 10 & 12mm
